PRESS RELEASE:

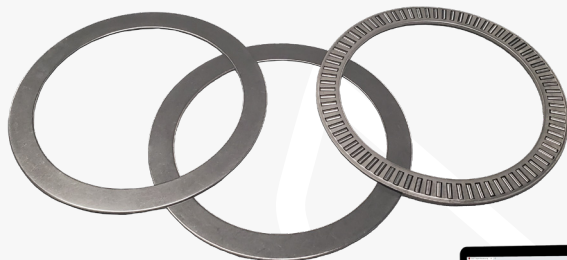

14" SPRING PRE-LOADER

We are excited to introduce our new
14" Spring Pre-Loader!

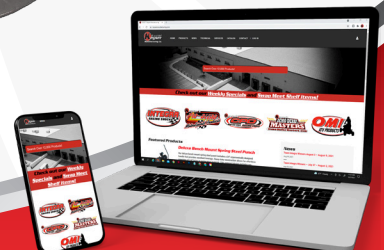

- Our Spring Pre-Loader allows the ability to run a soft spring, but pre-load it for higher static load.
- Uses a 14" length, 3" I.D. spring (Sold Separately).
- Anodized to prevent galling.
- Fine threaded.
- Will fit all brands of shocks.
- Thrust bearing washer is included.
